Brainwashed.com is an archival, educational, promotional non-profit service. The material included on Brainwashed radio is being used permissably thanks to the copyright owners of the original sound recordings and is broadcasting at a frequency comparable to a poor FM radio signal without the fidelity necessary to make phonographic duplicates.

The broadcast is not a commercial subscription service. Nobody charges money to listeners nor makes money from advertisers.

To find out more about United States copyright laws, visit www.loc.gov/copyright/. US residents are encouraged to voice their opinions to their congressmen about fair usage in non-commercial, non-subscription broadcasting.

Thank you for your support.
