

Brainwashed - The New Year, "End's Not Near"

Written by The New Year

Saturday, 17 May 2008 18:00 - Last Updated Sunday, 18 May 2008 13:20

There's a brand new video for "End's Not Near" (from 2004's *End is Near* album) online now on the Brainwashed Video Podcast and available for download (see below) by [The New Year](#)

. Additionally there's a new album due September this year with North American and European dates to follow. The Kadane Brothers are playing some shows this summer too, check out thenewyear.net/tnyshows.html

Directed by Keven McAlister, DP - Lee Daniel.
