"In the wake of our recent 2xLP reissues of *Radio Amor* and *Haunt Me, Haunt Me Do It Again*, we're pleased to announce Tim Hecker's proper return to the label with a brand new full-length recorded in Japan utilizing a traditional gagaku ensemble: *Konoyo*. Worldwide release date is September 28th.

Hecker will also stage a series of special performances in tandem with the album's release in Tokyo, London, Krakow, and Berlin."

More information can likely be found [here](#) soon.
