

Brainwashed - Bomb the Bass, "So Special"

Written by Staff

Sunday, 11 May 2008 13:32 -

The second video from [Bomb the Bass](#) ' *Future Chaos* release is making some waves due to its explicit content. "So Special" features the vocals of Paul Conboy while the video, directed by Nathalie Teirlinck and Ben Van Alboom is inspired by Magnum photographer Burt Glinn's 1971 series on prostitutes in New York. This can be seen both on

[YouTube](#)

and in super high fidelity through the

[Brainwashed Video Podcast](#)

.
